

## Ratesetter wins Best Online Peer to Peer Provider at the YourMoney.com Awards 2016

**22 July 2016**

Ratesetter has won the title of Best Online Peer to Peer Provider in the YourMoney.com Awards.

The YourMoney.com Awards are now in their 19<sup>th</sup> year and are the longest-standing consumer finance awards in the UK.

All the providers who enter the YourMoney.com Awards are subjected to a rigorous judging process based on the price and quality of their products. Short-listed firms are then judged by a panel of readers who mystery shop each company and benchmark the quality of service provided in each product area.

“Congratulations to all 2016 YourMoney.com winners. This year we received record numbers of entries so the winners should be very proud of their achievement. The awards are judged by mystery shoppers on both value and service making sure the best brands are rewarded,” said Joanna Faith, YourMoney.com editor.
